## Limitations of warranty

Thank you for becoming an Zoom Manufacturing product owner. You already have a one year warranty against any defect in material or workmanship, provided that the product has been treated in accordance with the instructions printed in the user manual

To qualify for an extended warranty of one further year, from one year to two years simply complete the attached card and return to Zoom Manufacturing within 14 days of purchase. This additional warranty will cover you against parts

and labour, subject to the correct fee being paid. This warranty covers all parts except triacs, fuses, and pump burn-out. Use of any other fluid will also void your warranty. Damage caused by neglect, willful or otherwise.

This warranty is limited to UK mainland customers only and is a back to base warranty. This means it is your responsibility to return the faulty unit to Zoom Manufacturing at your cost. If we deem this to be out of warranty conditions we will advise with an estimate of repair prior to any work being undertaken.

Please return a copy of your purchase invoice/receipt with this warranty card ; should you wish to opt for the extended warranty please also include the payment.

Zoom Manufacturing reserve the right to refuse repair at there own discretion should conditions of this warranty not be met
